41 year-old, 1 kid  
Mobility: to discuss

**Developer Python applications**  
Python langage (> 3 years experience)  
Django framework, Flask, HTML5, CSS3, JavaScript

## SKILLS

---

### Team leader in a R&D center

- Realization of a software suite with GUI in Python for measurements and sensors control in WiFi.
- Coordination of the development of an in-situ building measurement tool written in Python.
- Management and coordination of the measurements campaigns in all the Europeans sites.

### Engineer in a R&D center of an international company

- Customer needs identification and translation into deliveries
- Management of simultaneous international projects

### Technics and tools

- Languages : Python, MATLAB
- Front-end : HTML, CSS and JavaScript skills
- Back-end : Django framework for website and APIs
- Flask
- Operating Systems : Linux / Windows / MacOS

### Work already performed

- Realization of a software suite with GUI for in-situ measurements (Python, Tkinter, Linux)
- Created a trading software with GUI using the broker's API (Python, Tkinter)
- Created an automated visualization of ongoing trades using a Telegram bot & broker's API (Python)
- Created a server with raspberry Pi with several micro services (Python, Linux, Raspberry Pi)
- Create a NAS and control it through a Telegram bot by smartphone (Python, Telegram API)
- Software of chess tournament management with a GUI ([GitHub repo](#))
- Web interface in HTML5, CSS3 and JS connecting to an API ([GitHub repo](#))
- Web application created with Django ([GitHub repo](#))
- API REST created with Django rest-framework ([GitHub repo](#))

## PROFESSIONAL EXPERIENCES

---

2013 - 2019	<b>Engineer at Saint-Gobain</b> - Thermal engineer in a R&D center in France <b>Leader of the in-situ diagnostic team</b>
2008 - 2012	<b>Physics &amp; Chemistry teacher</b> - Several high schools in France
2004 - 2007	<b>Primary school teacher</b> - In France and in Nigeria

## DEGREES

---

2014 : **Master II in Physics Engineering of Energy** Paris 7 University.

2013 : **Master I in Physics** Paris 7 University.

2004 : **Diploma of primary school teacher** - Obtain in the academy of Montpellier

2002 : **Undergraduate in Physics and Chemistry** University of Montpellier - France

## COMPLEMENTARY ACTIVITIES

---

**Spoken languages : French (birth language), English (fluent), Spanish (current)**

**Leisures : Kitesurf, Diving, Tennis**
